

Announcing the 25-Year Anniversary of **Gordon Reese**

It is my pleasure to announce that Gordon Reese, Senior Vice President Investments of the Newport Beach office, has reached his 25-year anniversary with Marcus & Millichap.

Gordon specializes in multifamily property investments and serves as a Director of the National Multi Housing Group. One of his most notable transactions was in 2004, when he closed a 520-unit apartment property for \$85 million in Santa Clarita, CA. It was highly publicized as the highest sale price for an apartment transaction in Marcus & Millichap history. Gordon is a true believer in the firm's platform and value proposition and has recruited other agents to the firm who have gone on to have successful careers. He has earned five National Achievement Awards and 12 Sales Recognition Awards. Gordon originally joined the firm as an agent in 1978.

Gordon graduated from the University of the Pacific with a Bachelor of Science degree in history. He has two adult sons: Nick and Troy. In his free time, Gordon enjoys skiing, working out, and hiking.

Please join the Senior Management Team in congratulating Gordon on his anniversary, and wishing him continued success.

Marcus & Millichap
